

3rd Annual

DEVICE DESIGN SYMPOSIUM

Join us!

Date: Tuesday, June 5, 2018

Time: 4 p.m. – 7 p.m

Location: 5141 California Avenue #250, Irvine, CA 92617.

Registration Requested

We would like to cordially invite you to attend the culmination of our year-long Biomedical Device Design Capstone Course.

At this celebration, student teams will showcase their working prototypes and pitch their technologies. The best teams will be selected as recipients of the BioENGINE Fellowships to continue working on their projects and other design awards.

Keynote speaker: Joe Kiani, Founder, Chairman and CEO, Masimo Corporation
